"SIMPLIFYING LOGISTICS"

“ That's how temperature sensitive pharma goods prefer to travel. ! ”

New Globe Logistik has been on the forefront of offering cold chain solutions for the pharma sector covering all aspects right from pick up to arrival ensuring constant monitoring of temperature through all stages for its valuable pharma clients.

Last month (Jan 2016) we moved a record 25 tones across 53 pallets on a single flight ex-Mumbai to Amsterdam on final route to Brussels.

We have the appreciation of the client for timely & consistent service plus repeat business which makes the start to 2016 a glorious year ahead.
