LOGISTIK LLP**
Simplifying logistic

Visits from Grandparents can be a special occasion for everyone. One of our Director's Granny had a wish to visit her Grandson's office and surprise him.

While organizing her surprise visit to our office, we also surprised Granny by planning a party for her 90th birthday and celebrating with cake, flowers and a birthday card.

She was thrilled and emotional, gave us her blessings and good wishes.

Wishing Granny good health and happiness always.
