

THE GOLDEN GET TOGETHER

After a hard work session of months, a break is very essential to loosen the busy nerves of our minds. Therefore, New Globe Logistik had it's annual get together with all the staff and management from 30th November to 2nd December at a serene offsite resort 'Amidst Nature' in Nasik city.

Every individual was all set to have a great fun time with their colleagues. Every day was set for several team building activities. The energy of the daylight enthused the team for indoor and outdoor games and the sparkling moonlight was meant for the music.

The friendly environment of the gathering was overloaded with fun, energy and togetherness.
