New Globe handled the logistics pertaining to 2 BMW bikes driven all the way from Hamburg, Germany to Mumbai by road covering 68,000 km. The riders Mr. Meyke Florian & Mr. Pasche Jens - weekend backpackers and were doing this type of a trip for the first time. They had contacted many Multinationals at Origin (Hamburg) for handling this shipment from India back to Germany by airfreight once they concluded their journey here. We were selected out of 200 agents to handle this personal journey and precious cargo.

The bikes were BMW - 1200CC bikes with a petrol tank of 35 liters each. They travelled through to Turkey, Iran, Pakistan and entered India through the Wagha Border. From there they travelled to Srinagar, Kulu, Leh, Ladak, Manali before going to Goa and then coming to Mumbai. Total trip took around 45 days in which they used to drive about 2 hours on some days to even 10 hours on some days.
