

**NEW GLOBE
LOGISTIK LLP**
Simplifying logistics.

A Legacy of delivering promises since 1950

**12M Machine
6450 kgs**

New Globe Logistik LLP efficiently executed the packing, transportation, custom clearance of an odd-size heavy shipment containing a 12M Machine weighing 6450 kgs.

The total shipment consisted of 6 skids with a total weight of 7610 kgs.

2 open top Vehicles were arranged including an escort vehicle to ensure seamless operations from the time of pick up to delivery to the airline.

The cargo was uplifted by Air from Mumbai-India to Melbourne - Australia.
